Additional Information

Currently I am enrolled in night classes with the University of Texas for coding and learning UX / responsive / mobile-first design and Javascript.

I am extremely proficient with Adobe Photoshop and most of the creative suite and use it on a daily basis in my current working environment.

My position now requires me to troubleshoot constantly to achieve the highest level of quality for our products. I am extremely adept at learning new technologies. I thrive on trying to resolve technical issues to produce better work. I'm always looking to learn and grow outside of work and within my job.

I appreciate you taking the time to review my credentials.

Best Regards,

Justin James Howell
